Kids Competition

For the kids we will be holding a "best decorated egg" competition. Prizes will be awarded for the best decorated boiled egg. You can paint it, stencil it, bling it up, be as creative as you want then bring your egg along on the day for people to see. Judging will take place at 2.30pm

To help us raise as much money as we can we will also be using this day as a "**recycling day**". With the cash for clothes scheme we can raise money for the galaday by recycling old clothes, books, cd's, (originals only) and household textiles (no quilts). If you have anything lying around that you would like to donate to us please bring it along on the day.

**All money raised goes towards your Galaday,
so come along and show your support.**

To book a space please contact Diane on 07749543420 * £5 each
